I'M STILL STANDING

MUSIC BY ELTON JOHN, LYRICS BY BERNIE TAUPIN

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold and lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you
use

And did you think this fool could never win
Well look at me, I'm coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing you just fade
away

Don't you know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now

I'M STILL STANDING CONT.

MUSIC BY ELTON JOHN, LYRICS BY BERNIE TAUPIN

I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

Don't you know that I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah

JOLENE

MUSIC AND LYRICS BY DOLLY PARTON

Jolene, Jolene, Jolene, Jolene
I'm beggin' of you, please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green
Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you, Jolene

He talks about you in his sleep
And there's nothin' I can do to keep
From cryin' when he calls your name, Jolene
And I can easily understand
How you could easily take my man
But you don't know what he means to me, Jolene

You could have your choice of men
But I could never love again
He's the only one for me, Jolene
I had to have this talk with you
My happiness depends on you
And whatever you decide to do, Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you, please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can
Jolene, Jolene

SWEET CAROLINE

MUSIC AND LYRICS BY NEIL DIAMOND

Where it began
I can't begin to know when
But then I know it's growin' strong
Was in the spring
And spring became the summer
Who'd have believe you'd come along?

Hands
Touchin' hands
Reachin' out
Touching me, touchin' you

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would
But now I...

Look at the night
And it don't seem so lonely
We fill it up with only two
And when I hurt
Hurtin' runs off my shoulders
How can I hurt when holdin' you?

Warm
Touchin' warm
Reachin' out
Touchin' me, touchin' you

Sweet Caroline
Good times never seemed so good
I've been inclined
To believe they never would
Oh, no, no

Sweet Caroline
Good times never seemed so good
Sweet Caroline
I believe they never could
Sweet Caroline

THANK YOU FOR THE MUSIC

WORDS AND MUSIC BY BJÖRN ULVAEUS
AND BENNY ANDERSSON

I'm nothing special, in fact I'm a bit of a bore
If I tell a joke, you've probably heard it before
But I have a talent, a wonderful thing
'Cause everyone listens when I start to sing
I'm so grateful and proud
All I want is to sing it out loud

So I say thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be, without a song or a dance, what are we
So I say, thank you for the music, for giving it to me.

Mother says I was a dancer before I could walk
And she says I began to sing long before I could talk
And I've often wondered, how did it all start
Who found out that nothing can capture a heart like a melody can
Well, whoever it was, I'm a fan

So I say thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be, without a song or a dance, what are we
So I say, thank you for the music, for giving it to me.

THANK YOU FOR THE MUSIC CONT.

WORDS AND MUSIC BY BJÖRN ULVAEUS
AND BENNY ANDERSSON

I've been so lucky, I am the girl with golden hair
I wanna sing it out to everybody
What a joy, what a life, what a chance

Thank you for the music, the songs I'm singing
Thanks for all the joy they're bringing
Who can live without it, I ask in all honesty
What would life be, without a song or a dance, what are we
So I say, thank you for the music, for giving it to me.

YOU'RE THE VOICE

WORDS AND MUSIC BY ANDY QUNTA, KEITH REID,
MAGGIE RYDER & CHRIS THOMPSON

We have the chance, to turn the pages over
We can write what we want to write
We gotta make ends meet, before we get much older
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

You're the voice, try and understand it
Make a noise and make it clear, oh, woah
We're not gonna sit in silence
We're not gonna live with fear, oh, woah

This time, we know we can stand together
With the power to be powerful
Believing, we can make it better
We're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

You're the voice, try and understand it
Make a noise and make it clear, oh, woah
We're not gonna sit in silence
We're not gonna live with fear, oh, woah

[Instrumental solo]

Ooh, we're all someone's daughter
We're all someone's son
How long can we look at each other
Down the barrel of a gun?

You're the voice, try and understand it
Make a noise and make it clear, oh, woah
We're not gonna sit in silence
We're not gonna live with fear, oh, woah

You're the voice, try and understand it
Make a noise and make it clear, oh, woah
We're not gonna sit in silence
We're not gonna live with fear, oh, woah
